

Our Mission

ASM exists to assist Catholic parents in the education of their children by offering flexible, faithful, bilingual learning opportunities for both full-time and hybrid school families.

Our Vision

ASM envisions a student-centred learning environment inspired by God's truth which promotes the development of the whole child: in their academic, spiritual, physical and emotional growth.

Our Goal

ASM aims to support each student along their path to academic and personal success through the development of their intellect and God-given gifts while promoting virtue and strong character as the foundation of their purpose-filled life in Christ.

Considering ASM?

At Academia Stella Maris, our motto is:
"Virtus et Honor" - Virtue & Honor.

We centre our school culture and curriculum around our deep love for Jesus Christ and fidelity to the Catholic Church. ASM is a great fit for Catholic families who consider parents to be the first educators of their children and who take seriously the baptismal promises they made to raise their children up in the Faith.

ASM welcomes the opportunity to partner with you as you lead your children towards heaven and we consider it a great privilege to help each student meet the educational goals you have for them.

We are pleased to accept new students at any time in the school-year. Admission is based on availability of space, student application and an interview process.

We are a fully-independent private school, registered charity and have a BSID.

Our students:

The salt of the earth, the light of the world.

Tomorrow's hope!

Full-Time

Monday - Friday

Pre-K to Grade 8

ASM is pleased to offer families full-time education options for Kindergarten to Grade 8 from September to June.

Students attend Monday-Friday for the full day and receive the benefits of the entire ASM curriculum program outlined here!

Hybrid

Monday - Friday

JK to Grade 8

(no Fridays for Gr. 9)

At ASM, each day of the week are given a particular focus or theme which allows the school to support full-time students while also welcoming part-time ("hybrid") students who select between 1-4 full days of the week to attend.

The programs at ASM act as a supplement to a home-based education program already administered by the students' own family (ie. homeschooling, distance education, etc).
